

ULTRA FACIAL CREAM

KEY INGREDIENTS

- Aloe Barbadensis Leaf Juice
- Vitamins A-C-E
- CoQ10
- Green Tea Extract
- Squalane
- Glycerin

KEY BENEFITS

- Aloe Vera - used to heal a wide variety of skin conditions and has been known to have anti-inflammatory, antioxidant, antibacterial and moisturizing properties.
- Glycerin - a humectant attracting water from the environment and from the lower layers of the skin, helping hydrate the skin barrier and protect against dryness.
- Squalane - a naturally occurring emollient in our bodies and helps keep moisture in our skin.
- Vitamins A,C,E, CoQ10 & Green Tea Extract - vitamins and antioxidants nourish the skin and assist in minimizing free-radical damage.
- Rebalances oily and acne prone skin with its soothing, antioxidant rich formulation.
- Lightweight, fragrance and oil-free.
