

ANTIOXIDANT MOISTURIZING SUNSCREEN SPF 50+

KEY INGREDIENTS

- Active Ingredients: Zinc Oxide 6%
- Octinoxate 7.5%
- Octisalate 5%
- Homosalate 7%
- Oxybenzone 5%
- Key Ingredients: Green Tea Polyphenols
- Caffeine
- Vitamin E
- Squalane
- Hyaluronic Acid

KEY BENEFITS

- Micronized Zinc Oxide 6% with Blend of Organic UV Absorbers - highest broad spectrum
- UVA & UVB SPF 50+ protection.
- Tinted from Green Tea Polyphenols – clinically proven as one of most powerful antioxidant to quench free radicals.
- Caffeine - Enhances the antioxidant properties of the sunscreen as a whole, helps reduce the visible signs of redness and promotes “select apoptosis,” the removal of damaged cells resulting in healthy skin tone and texture.
- Activated Vitamin E - helps quench free radicals, protect lipid barrier function by keeping moisture in the skin, and has reported to have anti-inflammatory benefits.
- Squalane & Hyaluronic Acid (Moisturizers) - Squalane is a naturally occurring lipid in our bodies and helps keep moisture in our skin while Hyaluronic Acid acts as a humectant, plumping the dermis and locking moisture to the surface of the skin.
- Oil & paraben-free
